dated 8th May 1936.

Establishment - Temporary - Hospet Taluk -Basavannah Estension channel and Distributaries - Special Staff.

the sub-division work under this channel was over by 25-4-1936. There is sub-division work to be done for the acquisition of lands in connection with the restoration of Sugganahalli vaddu kattu channel for which the draf notification under section 4 (1) of the Land Acquisition Act was approved in G.O. No. R.144 (Revenue), dated 21-4-1936 and published at page 519 in Part I of Fort St. George Gazette, dated 28-4-1936. The total number of fields requiring sub-division is 31 and they are spread over 5 villages. It is considered that the ordinary staff cannot attend to this work without detriment to their duties. I have therefore directed the special Revenue Inspector and his staff to start this work and complete it within the period sanctioned in G.O. quoted above. I request that my action may be approved and the sanction of Government obtained if necessary. The staff will be disbanded by 25-5-1936.
